 Showing 44 questions out of a total of 45 questions

Section 2: The Teaching Experience

2. What was good about this placement?

Having our own clinics from early on

Structured timetable. Having own supervised clinics.

3. What did you find useful about this teaching?

Good practice of assessing a patient and coming up with a management plan on your own

OSCE practice

4. Was there something you thought should be changed to improve it? If so, what would you suggest.

Making the intro teaching day more focussed on revising common conditions presenting to a GP.

Would have liked to have seen/ been involved in an emergency case if possible so I know how to deal with an emergency in a community care setting

5. Can you give any examples of good practice in teaching?

Individual doctors allowing me to provide a management plan before giving their feedback - tests me a bit more
